**March 10<sup>th</sup>, 2006 – Vancouver, BC – Quizam Media Corporation** (“Quizam” or “the Company”) is pleased to report that it has signed an agreement with UK’s Harton Technology College to Pilot the company’s new Quizam Software. Under the terms of the deal, the college will have a master 6-month Quizam license for distribution and utilization in their school. Quizam will use feedback from Harton’s teachers and students to further develop and improve the Quizam software for the UK.

Harton Technology College is in North East England in the City of South Shields. They have 1350 pupils aged 11 - 16. They are part of a group of highly respected colleges set up by the UK government to become centers of excellence in Design and Technology

Russ Rossi, President of Quizam, commented, “The entire Quizam Team is very excited about signing our first UK school. We have received hundreds of inquiries from the UK. I have a hunch that, like Harton Technology College, many other UK schools will soon be using Quizam.”
