March 22th, 2006 – Vancouver, BC – Quizam Media Corporation (“Quizam” or “the Company”) is pleased to report that it has signed an agreement with the distinguished Self Paced Thomas Haney High School. Thomas Haney has roughly 1000 students grades 8 -12 and is located in the Vancouver suburb of Maple Ridge.

“This is a significant milestone for Quizam as Thomas Haney is an internationally respected Self-Paced school where students manage their learning pace and methods using teachers as advisors”, stated Russ Rossi, President of Quizam. “Hundreds of school teams from around the world visit Thomas Haney every year to observe this progressive and effective Teacher-Advisory Model” continued Mr. Rossi.

Jan Unwin, principal of Thomas Haney commented about Quizam, “This is exactly what we’re looking for!”

About Quizam Media Corporation (www.quizam.com)

Quizam Media Corporation is currently launching sales of Quizam Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher.

Quizam’s mission is to empower the 100 million school-aged children globally with relevant, effective and fun study aids.
