QUIZAM® Media Corporation Welcomes Educational Consultant to Advisory Board

Vancouver, BC – QUIZAM Media Corporation (“Quizam” or “the Company”) is pleased to report that it has invited educational consultant Tom Unwin to its advisory board.

Mr. Unwin, currently principal of JK Thomas & Associates, consults to school districts, education service agencies and educational professional associations, with respect to web-based professional development.

Retired from teaching and administering elementary, middle and high schools in British Columbia, Tom has a wealth of knowledge and deep understanding of the needs of students, educators, and educational institutions. He has worked at the school district level, coordinating design and development of a high school and university college, where curriculum implementation, career education and community and public relations were his primary responsibilities. In addition, Tom worked with the British Columbia Ministry of Education, as a regional coordinator.

Mr. Unwin has a Bachelor of Arts degree and Professional Development Program teacher training from Simon Fraser University, and a Masters of Administration, Education degree from Western Washington University.

QUIZAM will draw on Tom’s wealth of knowledge and education industry contacts as the company further refines its software and grows its client base. His years of experience working at all levels of education will help him counsel the company on how best to consider and satisfy the needs of all study software user groups.

About QUIZAM Media Corporation (www.quizam.com)

QUIZAM Media Corporation is currently launching sales of QUIZAM Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where assessment is instantaneous and learning curves are accelerated. Students that use QUIZAM learn faster and score higher. QUIZAM’s mission is to empower the 100 million school-aged children globally with relevant, effective and fun study aids.
