June 7, 2006 – Vancouver, BC – Quizam Media Corporation (“Quizam” or “the Company”) is pleased to announce Betty Huff Elementary School has signed an agreement with Quizam as a strategy to help prepare graduates for higher learning.

Denise Campbell, Vice Principal, states, “at Betty Huff Elementary School academic skills and extra curricular activities are equally important in a student’s education and future. We want our graduates to become well – rounded and prepared for the future.”

The teachers at Betty Huff take a collaborative approach to facilitate the growth and development of each student. The School puts a high emphasis on developing strong communications and interpersonal skills, students are encouraged to take drama art and to participate in sports. Enrolment at Betty Huff is 420 students.

Irene Dual, Director of Business Development, states, “A growing number of schools are using Quizam because it’s proving that it helps students remember factual information. Quizam helps students prepare for exams yet they are having fun – that’s the way learning should be!”

About Quizam Media Corporation (www.quizam.com)

Quizam Media Corporation is currently launching sales of Quizam Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher. Quizam’s mission is to empower over a billion school-aged children and university students globally with relevant, effective and fun study aids.
