June 16, 2006 – Vancouver, BC – Quizam Media Corporation (“Quizam” or “the Company”) is pleased to announce James Bay Community School has signed an agreement with Quizam to help assess the school's progress in writing and numeracy.

James Bay Community School serves a diverse community, ranging from young families to active seniors. The school's goal is to improve student achievement in writing and numeracy. One way of assessing the school's progress is to collect data and Quizam will help achieve this by tracking each student's progress.

Mr. Mike Phelan, Principal of James Bay Community comments that “Quizam, is versatile and accessible.”

Irene Dual, Director of Business Development states, “Quizam is designed to help students at an early stage to build confidence; as math becomes increasingly challenging - students will continue to enjoy it and find math meaningful.”

About Quizam Media Corporation (www.quizam.com)

Quizam Media Corporation is currently launching sales of Quizam Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher. Quizam's mission is to empower over a billion school-aged children and university students globally with relevant, effective and fun study aids.
