**July 6th, 2006 – Vancouver, BC – Quizam Media Corporation** (“Quizam” or “the Company”) is pleased to announce Talmud Torah Elementary School has signed an agreement to use Quizam in the library and for Grade 7 students to use as a study tool.

The Vancouver Talmud Torah is a traditional community Jewish Day School from Nursery to Grade 7 with 470 students. The School is dedicated to excellence in an engaging and a respectful learning environment in which Jewish children can grow to become proud, caring, responsible and dedicated members of the Jewish people and Canadian society.

Talmud Torah is committed to providing an excellent education within an integrated Judaic and General Studies program, which focuses on basic skills, independent and cooperative learning, critical thinking and creative thought.

Pat White, Teacher and Librarian comments, “Quizam could possibly be suitable for Grade 7 students as a study tool - when school returns in September we will try it!”

Irene Dual, Director of Business Development, asks, “I wonder how much students remember after 4 weeks, 2 months or year after taking a course? Starting the new term with Quizam will be of great benefit for students – they will get a head start and quality education that they deserve.”

### **About Quizam Media Corporation ([www.quizam.com](http://www.quizam.com))**

Quizam Media Corporation is currently launching sales of Quizam Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher. Quizam’s mission is to empower over a billion school-aged children and university students globally with relevant, effective and fun study aids.
