July 27th, 2006 – Vancouver, BC – Quizam Media Corporation ("Quizam" or "the Company") Quizam Media Corporation is pleased to announce the appointed of Dr. Linda Lakats, Professor and Industrial Engineer to the company's advisory board. Ms. Lakats will be testing Quizam's Professional Edition 'Q' Notes in an university environment and identifying business growth models.

Ms. Linda Lakats holds a PhD in Industrial Engineering with extensive experience in Enterprise Risk Management, Production and Operations Management, Mathematical Modeling of Organizations. Currently a Course Director at York University, Schulick of Business in Toronto, teaching Quantitative Analysis for Management Decisions while researching and developing the innovative use of technology in a highly interactive lecture and case based format.

Dr. Lakats has won a number of prestigious academic scholarships and awards; National Science and Engineering Research Council, Stanford Graduate Fellowship, Computer Science and Information Engineering Award, and the J.W. Billes Admission Scholarship. Ms. Lakats is a mentor for Women Engineers and has participated in numerous panel discussions providing guidance and inspiration.

The Professional Edition 'Q' Notes is designed for trades, professionals and university students with a laptop. 'Q' notes runs seamlessly in the background as the user takes notes. Quizam organizes the class notes and creates customized quizzes that can be used a study aid and for self-assessment. The Professional Edition is ideal for sharpening speed and memory skills – it's the perfect solution for 'learning on the go.'

About Quizam Media Corporation (www.quizam.com)
