January 15th – London UK – Quizam Media Corporation (“Quizam” or “the Company”) is pleased to announce 6 schools in England, Scotland and Denmark have signed deals to use Quizam software in their schools.

The names of the schools that have signed are, from England, Lambeth College, Hampstead School, Swindon College, Pangbourne College; and from Scotland, St. Catherine’s Primary.

Russ Rossi, president of Quizam states, “I’m please with the attention we are getting in the UK and Europe. With all the recent requests and calls I expect at least another 40 schools to sign up this month.”

About Quizam Media Corporation (www.quizam.com)

Quizam Media Corporation is currently launching sales of Quizam 2.0 Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher. Quizam’s mission is to empower over a billion school-aged children and university students globally with relevant, effective and fun study aids.
