January 25, 2006 – Vancouver, BC – Quizam Media Corporation (“Quizam” or “the Company”) is pleased to announce Wigmore High School will use Quizam software for enriched learning and self assessment. BBC News, Feb. 2000, reported that pupils at Wigmore High School have consistently produced outstanding result and is one of the top secondary schools. Wigmore excels in math and computers for both boys and girls.

Wigmore High School is situated on the edge of the historical village of Wigmore in NW Herefordshire. It lies 12km north of Leominster, 10km south west of Ludlow in a very rural location within the Wigmore Basin.

Wigmore High School is a three-form entry 11 - 16 rural comprehensive school. There are 500 pupils on roll. The School enjoys an excellent reputation based on high quality teaching, learning and examination success.

The majority of Wigmore pupils come from primary schools in the ‘Wigmore Partnership of Schools’: Kingsland, Leintwardine, Luston, Orleton, Shobdon and Wigmore. Wigmore High School benefits enormously from the work of its partner schools and maintains regular contact with them.

Irene Dual, Director of New Business, “I’m pleased that Wigmore High School will be using Quizam for student self assessment and to make learning more meaningful.”

About Quizam Media Corporation (www.quizam.com)

Quizam Media Corporation is currently launching sales of Quizam 2.0 Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher. Quizam’s mission is to empower over a billion school-aged children and university students globally with relevant, effective and fun study aids.
