July 27th, 2007– **Quizam Media Corporation** (“Quizam” or “the Company”) is pleased to announce 5 public and private schools in the US have signed deals to use Quizam’s study software.

The Center for Early Education, in West Hollywood CA ; an independent CoEd day school with current enrolment of 495. This school is highly regarded by parents because it promotes diversity, creativity and has strong community values. Students graduate at the end of their sixth grade year and are very successful transitioning to independent and public school programs.

Schuster Elementary School in El Paso Texas ; this school serves pre K-grade 5 levels with a current enrolment of 261.

Irasburg Village School in Vermont ; a Public school serving Grades KG-8 with a current enrolment of 147. Both Schuster and Irasburg’s goals are to attain high student achievement through a meaningful, motivational educational experience.

Chestatee Middle School in Gainesville, GA ; current student enrolment is 919. It offers a traditional middle school program for grades six through eight. Chestatee provides the students a \$9 million facility with computer labs in each grade level.

W.L. Parks Middle School in Georgia ; Its focus is also on technology and its integration into every classroom. Parks is one of Georgia Wireless Classroom Project pilot schools, with the specific goal of increasing student achievement. Current student population is about 600 from grades 6-8.

In exchange for piloting the software for 6 months the schools have agreed to give Quizam student/teacher feedback on the software. If the schools purchase the software before the end of the 6 month pilot period they will receive a discount. Irene Dual, director of new business stated, “Quizam is compelling software and I think every student from K-12 will find it engaging and very useful when it’s time to study.”
