January 15, 2010 – Vancouver, BC – Quizam Media Corporation (“Quizam” or “the company”) is pleased to announce that it’s online training division, ontrackTV.co.uk, has signed a partnership agreement with LondonJobs.co.uk to offer jobseekers a new and innovative way to improve their skills online. Under the terms of the agreement the two will share revenue from on line subscribers.

LondonJobs.co.uk targets London job seekers exclusively and is the sole website for London’s evening standard and Metro Newspapers

Lorraine Lee, UK Director of ontrackTV UK says ‘This business model works since traditional jobsites always sought the employer as the exclusive source of revenue and not the job seeker. This opens a whole new revenue stream with their existing client base with no risk or cost and enhances the quality of the job seekers to employers.’
