**November 6<sup>th</sup>, 2014 – Vancouver, BC – Quizam Media Corporation** (“Quizam” or “the Company”) (TSX-V: QQ), through its President Russ Rossi, is pleased to announce the launch of a Flash Card Quizzing Web App available at [www.quizam.com](http://www.quizam.com)

Quizam has redesigned its Flash Card software which is currently used in hundreds of schools and by thousands of students. The new Web App will include the 1000+ quizzes designed by educators for Grades 1 to University. The interface is especially designed for Apple, Android and Blackberry users. This Free Web App will allow students to study on their mobile devices anytime and anywhere.

Anyone worldwide can go to [www.quizam.com](http://www.quizam.com) to access quizzes. Visitors to the site also have the option of creating an account whereby they can make up their own quizzes. Similar to the Youtube theme, once quizzes are created they are available for world wide access. The site caters to the ever growing demand in mobile learning.

Russ Rossi, CEO of Quizam Media, commented, “This Free Web App will create a Flash Card Quizzing Community whereby students from around the world can create and share Quizzes for studying. It’s super easy to create quizzes and even easier to access them - best of all, it’s FREE. No login is required. Just click and Go! It’s like craigslist meeting YouTube in the Quizzing world.”

Quizam Media intends to create revenue from advertising once user volume becomes significant.
