Dec 1st, 2010 – Vancouver, BC – Quizam Media Corporation (“Quizam” or “the company”) is pleased to announce ontrackTV.com has signed a deal with in Melbourne, Australia with Franklin Collin’s Centralearning International, to develop and market the company’s online training programs throughout Australia and New Zealand. Anne Gillies, Director of Centralearning has extensive relationships and contacts throughout Australia and New Zealand in the corporate and government training market. From 1990 to 1999 she successfully grew a nationwide computer training and consulting business, LearningStream International, which trained thousands of corporate clients in information technology and soft skills, before selling to a publicly listed company in January 2000. Anne has over 20 years experience at CEO level across Information Technology, Marketing and Management Training.

Ms Gillies said, “I was absolutely delighted to see that ontrackTV’s elearning programs ticked all of the boxes for an effective training program. I immediately saw the potential of ontrackTV in the Australian and New Zealand marketplace. The ability for learners to ‘continue till perfect’ gives them positive reinforcement and increases their self-esteem. We see ontrackTV programs as an excellent solution for corporate clients who continually look for cost effective training solutions annually to fit in with their staff appraisals. In fact everyone who uses technology today will benefit from the wide variety of training included in the ontrackTV library of training programs. We foresee a huge demand from businesses throughout Australia for such an effective staff training solution that is sensibly priced.”

About ontracktv.com

ontrackTV is a wholly owned subsidiary of QUIZAM Media Corporation. ontrackTV uses high quality video and live instructors to deliver computer training online. Easy to follow lessons are structured into a library of hundreds of bite size, task led tutorials that support individuals with the training they need wherever and whenever they need it.
