August 28th, 2012 – Vancouver, BC – Quizam Media Corpora/on (“Quizam” or “the company”) is pleased to announce that its online training division, ontrackTV.com, has entered into a partnership with Davidson IT Services a leading Vancouver based company in managed and IT services. Under the terms of the agreement the parties will share revenue from online subscribers & training while offering their customers and resellers various on-line and training services.

Davidson IT Service’s is one of Vancouver’s premiere computer technology support groups, with expertise in help desk support, network server installation and maintenance, data backup and recovery, email spam support, network security, firewall protection and various other IT based solutions (www.davidsonit.com).

David Lee, Director of Business Development, states “One of our core strategies is to increase our distribution channels, not only globally but locally as well, Davidson IT Service’s trusts in the quality of our corporate training services and realized the value we can bring together to their clientele.”

About Quizam Media and ontrackTV

ontrackTV is a wholly owned subsidiary of QUIZAM Media Corporation. ontrackTV uses high quality video and live instructors to deliver HR training online. Easy to follow lessons are structured into a Learning Management System of bite size, task led tutorials that support individuals with the training they need wherever and whenever they need it.
